

**Math Mondays!**  
**December 9, 2025**

**Hot Chocolate!**

**Kindergarten:**

How many marshmallows are in the picture? How do you know?

---

---

---

**First Grade:**

How many more marshmallows are on the plate than in the cup? Use words and numbers to support your answer.

---

---

---

---

---

---

---

**Second Grade:**

Everyone is making their hot chocolate with the same number of marshmallows shown in the picture. How many marshmallows are needed for 3 people to make hot chocolate? Use words and numbers to support your answer.
